CHILDREN'S**

# Changemakers for Children's

## Overview

**Changemakers for Children's** is a group of enthusiastic individuals who will have the opportunity to fundraise, lead and take action for the cause of Children's Health. Equipped with a toolkit of fundraising and leadership skills, with a passion to make life better for children, Changemakers will make an impact in their high schools and in their spheres of influence by leading the charge to fundraise, inspire action and raise awareness for Children's Health.

## Get Involved

### FUNDRAISE

Children's Health is a not-for-profit health system, and when you raise funds on behalf of Children's Health, you are choosing to support the mission to make life better for children. As a **Changemakers for Children's Member**, you'll work to raise at least \$500 by Spring 2020. For **Changemakers for Children's Leaders**, you and your club will raise at least \$1000 per year to support Children's Health. Every single dollar you raise makes a difference in the life of a child.

## LEAD

Both Leaders and Members are dedicated high school students will plan, collaborate and raise awareness to change the lives of children in need. As a Member, you know what it takes to get things done and will independently reach out to friends, family members and the community to raise funds and awareness for Children's Health. As Leader, you know what it takes to build a team to work hard for a cause. Leaders will recruit their peers to start a Changemakers for Children's Club to support their fundraising and advocacy efforts.

## TAKE ACTION

To learn more about the mission you support, you'll get insider access to all volunteer and informational events hosted by Children's Medical Center Foundation. To help raise awareness for the cause of Children's Health, invite a friend or family member to join you! To get connected, Children's Medical Center Foundation will also host several **Meet Ups** throughout the year so that Changemakers from Dallas, Plano and surrounding areas can connect with one another, share stories and accomplishments, and hear from special speakers. You'll be required to attend at least one event and two Meet Up's per semester, so mark your calendars!
